Vision Statement

At Investigator College, we are committed to building and maintaining a learning organisation which is underpinned by our Vision, Mission and Values...

“a caring Christian community open to all, encouraging excellence, and providing a path for lifelong learning”

Mission Statement

Inspire

Inspire students to personal excellence
To inspire, educate and nurture all students and College community members to develop their unique talents and to strive for personal excellence in all their endeavours.

Embody

Embody Christian values
To demonstrate by our example the love and grace of Jesus Christ and the hope He brings to our world.

Ensure

Ensure distinction through the quality performance of the College Staff
To attract, develop and retain the highest order of professionals committed to excellence through continuous improvement.

Develop

Develop attractive and efficient multi-campus facilities
To create attractive, aesthetically sympathetic learning environments that inspire students and staff and provides identity as a R-12 College.

Integrate

Integrate College activities with the wider community
To work in partnership with families, the community of the South Coast and national and international interests to fulfil our mission calling and corporate responsibility.

Direct

Direct a sustainable, best practice, independent college
To maintain a Board of governors committed to prayerful stewardship and governance of the College.

The Great Commandment ‘Love the Lord your God with all your heart, soul and mind. This is the first and most important commandment. The second most important commandment is like this one. And it is, ‘Love others as much as you love yourself’’. (Matthew 22:37-39, CEV)
Equity, Inclusiveness and Social Justice
Investigator College is a family school. The College has an open entry policy and affirms the right of all students to achieve his/her potential in all areas of development whilst in the care of the College.

Acceptance, Tolerance, Love
Investigator College aims to provide a Christ centred education. This will assist students to develop acceptance, tolerance, courtesy, consideration and love for other people.

Integrity
In our learning community we stress the importance of honesty, integrity and respect for others in all interactions between students, parents, staff and the wider community.

Compassion
The development of an ethos of compassion and service to others is fostered through the curriculum and social service programs at all year levels in the College.

Effort, Commitment
We aim to establish a supportive atmosphere in which students are encouraged to strive to achieve their best, to not be afraid of failure and to work diligently and persistently over a period of time.

Accepting Responsibility
Empowering students to accept greater levels of responsibility and independence.

Active Participation
Encouraging student initiative and involvement in the learning process and active participation in society at large is fundamental to an Investigator education.

Personal Faith
Encouraging students to develop their relationship with Christ and to acknowledge this as a foundation for their lives.
