In the past Investigator College supported a number of sporting clubs in different ways. Unfortunately due to the huge disparity in packages offered by each club, it was difficult to provide equitable support. Where possible we, take every opportunity to encourage our students and their families to engage in activities which support health and wellbeing. The College is well aware of the important role that local sporting clubs play providing these opportunities to not only our students and families, but the wider community. As such, we are making available to local clubs a limited number of sponsorship offers which we hope will support Junior development, while encouraging participants to strive to do their best.

This program encompasses an inseparable, two tier approach:

<table>
<thead>
<tr>
<th>Donation to the Club</th>
<th>Award for a Junior Participant</th>
</tr>
</thead>
<tbody>
<tr>
<td>The first tier is a directed <strong>donation of $150</strong> to the your club’s Junior division, which can be used to support Junior development through the provision of supplies and/or professional development for coaches or players.</td>
<td>The second tier is the provision of <strong>an Individual Award</strong> which can be presented to a selected a Junior participant (under 18) at the end of each season.</td>
</tr>
<tr>
<td>The award should be given to a participant who has demonstrated all of the following:</td>
<td></td>
</tr>
<tr>
<td>• Inspired - <em>has inspired others with their attitude and commitment</em></td>
<td>• Inspired - <em>has inspired others with their attitude and commitment</em></td>
</tr>
<tr>
<td>• Developed - <em>has developed skills and team orientated attributes</em></td>

<tr>
<td>• Embodied - <em>has embodied the values of a good sportsperson including kindness, grace and humility</em></td>

</tr>
<tr>
<td>• Achieved <strong>personal excellence</strong> - <em>has performed to the best of their individual abilities, irrespective of their skills in comparison to their peer group</em></td>

The Awardee will be endowed a **Custom Medal and gift** provided by the College.

It is the intention of the College to offer this support on an annual basis. In return the College asks that participating clubs acknowledge our support in any or all mediums where such sponsorship is advertised (excluding fixed signage). Clubs and groups are also asked to give the College the opportunity for a member of staff to present the medal and gift to the awardee at their end of year presentations.

To apply to participate please complete the form overleaf and return it to us as soon as possible.

Should you have any questions or if you would like to discuss the offer further please do not hesitate to contact Natalie Perkins directly on 08 8555 7518.

We look forward to working with you to support our citizens of tomorrow.

Yours sincerely
