Dear Parents/Caregivers

Welcome to LifeQuest 2016!

This year will begin with Term 1 focussed on students planning, researching and setting up their own café for staff at the Victor Harbor Campus.

As a group, we will look at what is required to set up a café, including what to put on the menu, how much to charge, what government rules there are to comply with, and how to decorate and present the café and the food.

We will also look at the skills required to manage and run a café including social skills, communication, teamwork and in particular, money skills. We will also look at growing some of our own food.

Classes began on Monday 8 February and will continue to run each Monday from Lessons 2-7 with Mrs Jo Lush. LifeQuest students will begin their day with their class for morning Home Group and Lesson 1 and then proceed to the ‘Happy Room’ to meet Mrs Lush at the beginning of Lesson 2. Students will return to their class for afternoon Home Group.

LifeQuest classes will take place in the ‘Happy Room’, Staff Room and campus garden. There will also be occasional off-site visits to local cafés and supermarkets. Students will be transported to the off-site location with Mrs Lush in her private vehicle. Please note that, in order for your son/daughter to travel with Mrs Lush, the reply slip below must be completed and returned to the College by Friday 12 February.

Students are required to wear their sports uniform for LifeQuest.

Mrs Lush is looking forward to a fun, interesting and productive year.

Yours sincerely

Jo Lush
Additional Learning Co-ordinator
