Dear Parents/Caregivers of Year 10 students

As Semester One enters its final weeks, students are reminded that final assessment tasks and testing are soon to commence. Many Year 10 subjects are offered as semester courses and so will conclude on Friday 23 June.

In line with their Stage 1 counterparts, and indeed, as part of the preparation for Stage 1, some Year 10 subjects include a mid-year exam. The College recognizes that, for some students, examinations can be stressful and intimidating, however completing assessments under exam conditions will provide students with valuable experience of this form of assessment in preparation for future study. It should be noted that not ALL Year 10 subjects require an examination at the mid-year point.

The Year 10 exam period begins on Monday 19 June, concluding on Wednesday 21 June (see detailed timetable overleaf). Please note: full College uniform is to be worn to exams. Students are required in normal timetabled classes from Lesson 4 onwards on Monday 19 June – Wednesday 21 June and normal timetabled classes will run on Thursday 22 June and Friday 23 June. Semester Two commences on Monday 26 June.

We take this opportunity to wish all Year 10 students every success in their end of semester examinations and assessments.

Yours sincerely

Belinda Delyster
Dean of Senior Students
