

Investigator College

2020 Senior School Information Night

Date for Distribution: 14 August 2019

Date

Thursday 22 August

Time

7:00pm

Location

Investigator College
Senior School
Bacchus Road, Victor Harbor

Dear Parents/Caregivers of Students in Years 9-11

The College believes that the best educational outcomes for your son/daughter are obtained through clear communication between the College and each student’s home. As such, it is strongly advised that parents/caregivers attend the 2020 Senior School Information Night on Thursday 22 August at the Senior School, Bacchus Road, Victor Harbor.

Commencing at 7:00pm, the session will outline the curriculum and learning opportunities for 2020, and the College’s innovative and comprehensive curricular and co-curricular offerings. Parents will then be invited to speak with subject teachers. Please remember we are aiming to provide each student with a meaningful SACE reflective of their individual needs, abilities and pathways. This will enable students to make final subject selections later in the term.

The evening is particularly important for students entering Year 10 or 11, or who will be new to the College in 2020. It will be an opportunity to tour the Senior School and meet the Senior School teaching staff. We strongly encourage students to attend with you.

Please indicate your attendance by returning the reply slip below to the College by Monday 19 August.

I look forward to seeing many of you there.

Yours sincerely

Andrew Panozzo
Acting Principal
