Dear Parents/Caregivers

On Tuesday 14 May, Stage 2 Geography students will be undertaking an excursion to the city to assess the impacts of globalisation and localisation. This is an ideal opportunity for students to compare globalised and localised brands and explore some of the less well known areas of Adelaide.

A summative individual assessment will be completed by students using notes and photos collected on this excursion.

The Globalisation assessment accounts for 10% of the Stage 2 Geography result.

Students are to wear the College Formal uniform and can wear the seniors jumper. Students require recess, lunch, and a drink. There will also be an opportunity for purchasing lunch. Students will be transported in a 22 seater bus, driven by Mr Detmar, departing from the Victor Harbor Campus at 9:00am and returning by 3:20pm.

Please complete the consent form below and return it to the College by **Friday 10 May**.

Yours sincerely

Chris Detmar
