Dear Parents/Caregivers

In 2021, the Year 12/13 Camp will run from Wednesday 27 January to Thursday 28 January at St Ann's Residential College, North Adelaide. Students will be in single rooms.

The aim of the Camp is to bring together the students of Year 12 and 13 and provide a successful pathway to complete all of their assessment tasks throughout the year and equip them for the possibility of independent, 'city living', beyond 2021. It is also a great opportunity to create new friendships and strengthen existing bonds ready for the much-needed support throughout the coming year.

The focus will be on:

- Study skills
- School/work/life balance
- Time management
- Independent living
- SACE requirements
- Goal setting
- Tertiary/further study

In addition to this, students will take part in tours of Adelaide-based tertiary institutions such as The University of Adelaide and the University of South Australia. An introduction to student accommodation is included and incorporates tours of Lincoln College and St Mark's College. Further to this, students will be staying at St Ann's College, with morning and evening meals included, providing them with a first-hand experience of university accommodation.

As part of the independent living program, students will be required to use public transport, navigate themselves around the Adelaide CBD and the Adelaide Central Market. Staff will also be on hand during these 'expeditions'. Attached is a full draft version of programmed activities.

Reminder to all students attending, please bring the following:

- appropriate clothing for two days of university visits (students will require enclosed shoes to access university areas) and city activities (eg no sleeveless tops)
- money for lunch and supper on Wednesday plus tram fare
- comfortable walking shoes
- personal toiletries
- sunscreen, hat and water bottle
- sun-safe clothing
- pen and paper

St Ann's College provides sheets and bedding, but students may bring their own. Students may also wish to bring a small backpack to carry belongings.

Students may not drive themselves at any time on Camp. They will travel to and from the venue by bus, departing from the Senior School at 8:30am on Wednesday 27 January and returning by 3:00pm on Thursday 28 January.

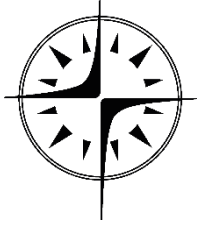

The cost of the Camp will be \$165.00 per student. Camp costs will appear as a separate item on your fee statement.

Please return the attached reply slip to the College by **Wednesday 9 December**.

Yours sincerely

Belinda Delyster

Dean of Senior Students

Investigator College
