Date for Distribution: 21 November 2022

Dear Parents/Caregivers

On Tuesday 6 December we will be taking the Year 7 cohort to our Currency Creek EcoCentre as part of our End of Year STEM Week. The focus of the day will be to link Biology and Chemistry theory to a series of practical, hands-on scientific activities.

We will be travelling by bus to Currency Creek , departing at 9:00am and returning at approximately 3:20pm.

Students will have a planning and preparation session prior to the day and be familiar with the intent and purpose of the trip, as well as the planned itinerary.

Students will be required to wear their College Sports uniform, including their wide brimmed hat. Long trousers (preferably PE) and enclosed shoes are also a requirement.

They are to bring a bottle of water, recess and lunch for the day. There is filtered drinking water from rainwater available for them to top up their drinks, but no food is available on site.

Students are encouraged to leave unnecessary books at the College, and to only carry a pencil, food and water in their backpack. A mobile phone is also strongly recommended as one of the activities requires this device.

All Year 7s will be attending the excursion together. There will be a minimum of six supervising teachers for the cohort.

Please complete the reply slip below and return to the College by **Monday 28 November.**

Yours sincerely

Scott McGregor
Head of Middle School

Year 7 STEM Excursion
Tuesday 6 December

Student: **Home Group:**

I give permission for my child to attend the excursion.

I confirm that the College has current and correct medical information/contact details for my child.
