

## Outside School Hours Care (OSHC)

### Monday – Friday

Investigator College Outside School Hours Care (OSHC) is available each week day during the school term.

**Before School Care: 6.45am – 8.50am**  
**After School Care: 3.30pm – 6.30pm**

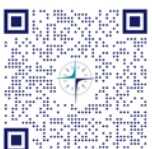

At Investigator, we understand the needs of working families within our College Community.

With many of our valued parents and carers commuting across the Fleurieu Peninsula and further into Adelaide for work and other daily commitments, we are proud to support our families by offering dedicated before and after school care, facilitated by YMCA South Australia.

Available from 6.45am until the beginning of the school day each morning, and from 3.30pm – 6.30pm in the afternoon, our YMCA-facilitated Outside School Hours Care (OSHC) program guarantees a high quality, 5 day-a-week before and after school care service.

Working in partnership with a broad range of schools and community organisations across South Australia, YMCA-operated OSHC promises:

- **Highly qualified, experienced and passionate staff members (minimum of two) providing supervised and structured activities for all children.**
- **A focus on the developmental needs and individual care for each child, through a mix of physical activity, intellectual stimulation, nutrition and rest.**
- **A convenient booking system, with the flexibility to utilise out-of-hours care as little or as often as needed.**
- **Healthy, happy students, with additional opportunities for play, social development and extracurricular engagement.**

The Investigator Vacation Care program provides an affordable and reliable option for working families during the school holiday breaks.

Featuring a combination of structured activities and free play around the Investigator College campus, along with a range of excursions and field trips, YMCA Vacation Care offers an engaging and entertaining program for all school-aged learners.
